

Size:60*30mm

M/N: D6804NM+N4014HH-E*4

FCC ID: 2ADESD6804NM

This device complies with part 15 of the FCC Rules.

Operation is subject to the following two conditions:(1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

M/N: D6804NM+N4013HH-E*4

FCC ID: 2ADESD6804NM

This device complies with part 15 of the FCC Rules.

Operation is subject to the following two conditions:(1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

M/N: D6814NM+N3904HH-E*4

FCC ID: 2ADESD6804NM

This device complies with part 15 of the FCC Rules.

Operation is subject to the following two conditions:(1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

M/N: D6814NM+N3903HH-E*4

FCC ID: 2ADESD6804NM

This device complies with part 15 of the FCC Rules.

Operation is subject to the following two conditions:(1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

M/N: N6794ND+N4074HH-E*4

FCC ID: 2ADESD6804NM

This device complies with part 15 of the FCC Rules.

Operation is subject to the following two conditions:(1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

M/N: N6794ND+N4074HA-A*4

FCC ID: 2ADESD6804NM

This device complies with part 15 of the FCC Rules.

Operation is subject to the following two conditions:(1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

M/N: D6774NB+N4013HH-E*4

FCC ID: 2ADESD6804NM

This device complies with part 15 of the FCC Rules.

Operation is subject to the following two conditions:(1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

M/N: D6774NB+N4014HH-E

FCC ID: 2ADESD6804NM

This device complies with part 15 of the FCC Rules.

Operation is subject to the following two conditions:(1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

M/N: D6794ND+N4073HH-E*4

FCC ID: 2ADESD6804NM

This device complies with part 15 of the FCC Rules.

Operation is subject to the following two conditions:(1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

M/N: D6794NM+N4073HH-E*4
